Sleep Scientist

Requisition ID 001CW

Medicine

Department of Respiratory & Sleep Medicine

Sleep Disorders Unit – Sleep Laboratory

Health Professional Level 1/Level 2

Annual Salary: \$47 515 – 70 459

Closing date: 18th of January 2012

The Department is seeking a suitably qualified individual to join the multidisciplinary team working within the Sleep Disorders Unit. Responsibilities include various activities relating to sleep polysomnography, assisting with establishing treatment and patient education as part of a high quality clinical service. Professional development opportunities and comprehensive training will be supported by the Department.

Eligibility/Other Requirements: Bachelor of Science or equivalent (Physiology, Allied Health, Health Sciences). The successful applicant must be able to work early evenings and 12 hour overnight shift on a rotation roster. Flexible working conditions can be negotiated.

Salary packaging with fringe benefits tax-free threshold up to \$9095 is available. Employees can also package beyond the FBT-free threshold up to 75% of gross salary on non-FBT items. The organisation also provides for the usage of tax free benefits cards including Meal Entertainment and Leisure and Accommodation cards.
