MidCentral District Health Board  
Palmerston North Hospital  
Palmerston North  
New Zealand**

*Our Reference* - Vacancy ID: 2316

Palmerston North City has a vibrant tertiary student population with both Massey University and UCOL. It boasts great shops, bistros, bars and restaurants, high quality schooling, a wide range of sporting and recreational activities and live theatres.

Palmerston North services intense agriculture, research, army and airforce centres. Its location is so central - within two hours you can be in NZ capital city Wellington, the vineyards of Hawke's Bay, Mt Ruapehu ski fields or Lake Taupo.

**“Palmy” is big enough to count but small enough to care**

We are currently offering an exciting opportunity for a CNS to become part of our team.

If you are looking to expand your practice and develop clinical nurse specialist skills, or have the capability and enthusiasm to develop into this role, then we have an opportunity for you to practice alongside a positive, innovative, patient focussed team.

The MidCentral Health Sleep Service at Palmerston North Hospital, provides a diagnostic and treatment service for patients with obstructive sleep apnoea. It is part of the MCH Respiratory Service, and includes the integrated sleep service which provides a model of care amalgamating primary and secondary services.

The Sleep Service at MidCentral Health has a 1FTE Clinical Nurse Specialist position available. The focus of practice will be on improving and enhancing clinical nursing practice centred on patients aligned to the MCH Sleep Service across the DHB.

You will be a Registered Nurse, with a Level 4 PDRP (or working towards) and have completed a MN or engaged in post graduate study - or working towards.

For further information you are welcome to contact [Victoria Perry](#) Nurse Practitioner, phone +00 64 6 350 8007.

Closing date: Open.
